VIKING GONG TARGETS. TOUGHER THAN NECESSARY.

VIKING GONG TARGETS (U.S. Patent No. D758,524) have become some of the hottest selling gong targets on the market. Our patented and simple installation of the gong system means you have more time for shooting. All of our VGS and VGK series targets feature 3/8" AR/NM500 steel that can withstand 30 caliber and smaller bullets. These targets break down into 3 manageable pieces and setup is seconds in the field. Everything you need to start shooting is in the box—we supply the stand, gong target, and all necessary hardware for your convenience. Try out one of our affordable, durable, and FUN Viking Gong Targets!

ONE GONG SERIES

Includes one gong, steel target stand, chains, and all necessary hardware:

VGS001 6" Gong Target - Steel Stand

VGS002 8" Gong Target - Steel Stand

VGS003 10" Gong Target - Steel Stand

TWO GONG SERIES

Includes 2 stands, 2 gongs, chains, and all necessary hardware:

VGS610 6" and 10" Gong Target Set (VGS001 & VGS003)

VGS810 8" and 10" Gong Target Set (VGS002 & VGS003)

ONE STAND TWO GONG SERIES

Includes one steel stand, 2 gongs, chains, and all necessary hardware:

VGS108 8" and 10" Gongs

2X4 STAND TARGETS. SIMPLE & TOUGH.

The Viking VGK series of AR/NM500 Gong Targets are extremely popular. You supply any length 2x4 you prefer—we supply everything else. This setup gives you the flexibility to space your targets on the board as you like—and any errant shot into the lumber is an easy fix! The 3/8" plate provides a satisfying sight and sound with each and every hit! No more resetting—shoot as long as the ammo lasts!

ONE GONG, ONE LEG KIT VGK003 16" Gong Target 2x4 Stand

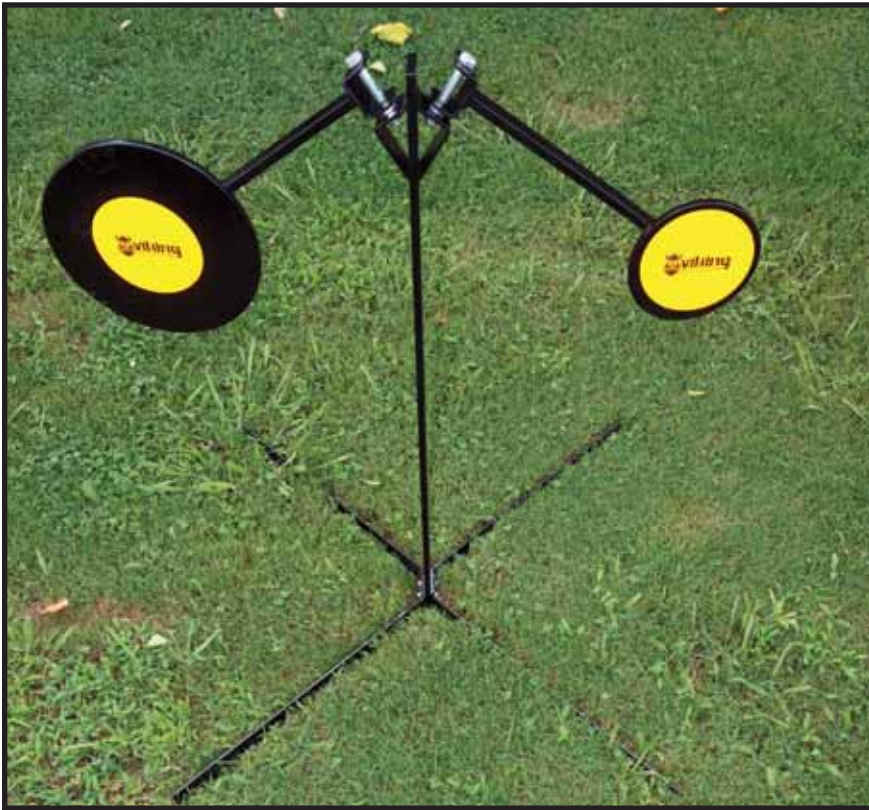

TWO GONGS, ONE LEG KIT

Includes 2 gongs, leg stands, chains, and all hardware (user supplied 2x4):

VGK002 6" and 10" 2x4 Gong Target

U.S. Patent No. D770,004

VIKING PISTOL TARGET. THIS ONE CAN TAKE IT.

The Viking Pistol Target is the answer to your pistol shooting target needs. Our material selection provides you with a durable dual target set that resets with every shot. The wide-stance base ensures that there is no tip-over and the target plates are designed to handle pistols from 45 caliber and down. The unique offset design allows the targets to swing and reset quickly—or you can simply shoot the opposite side target. If you enjoy shooting pistols, this is the target for you!

PISTOL TARGETS

Two targets, complete stand, and all hardware included:

VPT610 Swinger Pistol Target

VIKING RIFLE SPINNER TARGET. SETUP IN UNDER A MINUTE AND SHOOT WITHOUT RESETTING!

The new Viking Rifle Spinner Target is a super tough new addition to the Viking target line! This 6" and 10" hexagonal plate target will handle almost anything you can throw at it — 3/8" AR/NM500 steel plates are tested tough for 30 caliber and smaller (100 yards or <3000 FPS). In addition to the audible on the target, this target will spin when hit for instant verification. Setup is like all of our AR targets — simple and under one minute! Our patented gong leg stands are the industry's simplest. The frames and the target hanger system are powder-coated for maximum durability, and this setup breaks down into 3 easy to carry pieces (gong plate piece is heavy — approximately 19 lbs.). Try one out today!

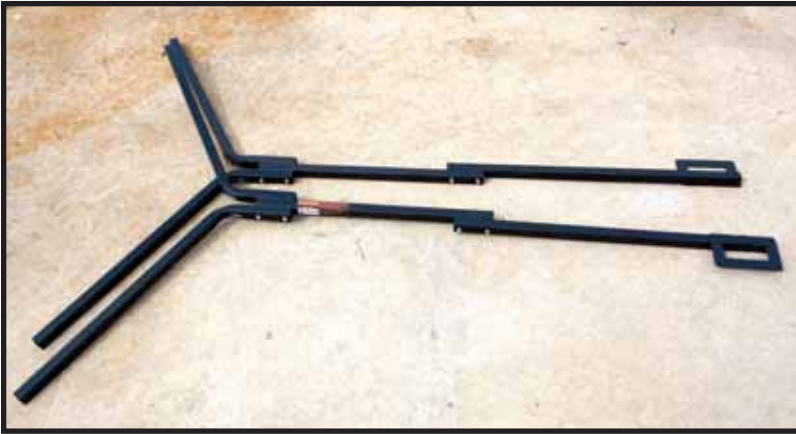

- 3/8" AR500 steel plates – 6" and 10" hexagons
- Super Simple Setup – under one minute!
- Audible ding when hit plus visual from plates swinging
- Easy transport
- Patented leg stand system
- 30 caliber and smaller at 100 yards

Always follow safe shooting rules as set forth by the NRA and NSSF.

VIKING RIFLE SPINNER TARGET

VRS001

ADJUSTABLE TARGET STAND

The NEW Viking Adjustable Target Stand is a simple but effective leg stand set that will allow you to set your targets at heights of 41, 49, or 58"! (Exact heights will vary slightly due to terrain variations). This do-it-all target stand setup lets you hang gongs, silhouette targets, archery bag targets, or whatever your target preference happens to be. You can leave off the extension leg for lowest setting or install it if you like your targets higher - the user supplied 2x4 lumber crossbar is locked-in with our welded capture system and the powder-coated frame pieces will last for years. With this system, you don't have to go get any leg components - all you supply is the 2x4 and targets!!

- Adjusts from 41" up to 58" tall - does not include 2x4 or gongs (you supply)
- Powder-coated steel frame for years of use. Nothing to add other than the 2x4 and your targets!
- You supply 2x4 for hanging your favorite gongs, silhouette, OR archery targets! Cut your 2x4 to length you prefer for single or multiple targets
- Pre-punched holes for target height adjustment - simple one-time assembly. We don't make you go get anything for the legs!
- Field setup time of under one minute! Can be used on varying terrain. Ground Stakes included.

ADJUSTABLE GONG OR ARCHERY TARGET STAND

VGK004 U.S. Patent No. D770,004

100-PROOF GONG HANGER. FAST, PORTABLE TARGET SHOOTING.

The new Viking 100 Proof Gong Hangers are your answer to broken chains on your gong target setup. You get 4 of our gong hangers and all the necessary hardware in the box! We experimented with different materials, thicknesses, etc. to provide you with super long life hangers.

- 4 (Four) - 16" long Viking 100 Proof Gong Hangers and necessary hardware in each box
- 2 year warranty with proper installation (hangers mounted on back side of gongs and gong support)
- Tested with various calibers and distances - material is self-healing (see image)
- Simple replacement of chains usually takes less than 10 minutes/set
- Molded to our specs
- You still get the audible on gong strike - minimizes and/or eliminates gong "flip over"
- INCREDIBLY DURABLE!

100-PROOF GONG HANGER:
VGH001 (4 total gong hanging straps)

VIKING FULL-SIZE IPSC AR500 TARGET WITH STAND.

The Viking Full-Size IPSC target and stand is designed for your full tactical gear. The plate is 3/8" which will take 30 caliber and under rifle loads at a minimum distance of 100 yards, and can also be used for pistol shooting training at 20 yards minimum. The target hanging system is simple - slide the target plate into the brackets (welded on the crossbar) and you're ready to shoot. Our patented leg system is also simple - pieces slip-fit together for setup that takes seconds instead of minutes! All parts are powder coated steel for long life.

- Full size AR/NM500 steel target with our patented field stand sets up in seconds
- Target is 3/8" plate rated for 100 yards or more with 30
- Caliber and under rifles
- Use with pistols at 20 yards or more

VIKING FULL-SIZE IPSC AR500 TARGET WITH STAND: VIT001
